At the centre we have a modern shower and toilet block, meeting room, tea/coffee-making facilities, camper's kitchen for cooking and reheating food, free use of gas BBQ.

The Island Trip

The group travel to the island (1km up river) on Canadian Canoe Rafts. Large tents will be pre-erected - a girl's tent and a boy's, each accommodating up to 13 people. Separate tents for adults. On the island the group are given relative freedom to explore, a campfire is set and they will do structured forest games. Phones are not permitted on the island (apart from the accompanying adults) which encourages team bonding around the campfire. There is no alcohol allowed on the island.

The island itself is fully forested and very sheltered. Facilities on the island are purposefully quite primitive.

In the morning there are more team games and on arrival back to the centre (usually about 1 or 2pm) the group can finish off with pier-jumping.

The price includes food (evening meal, supper, cooked and cereal breakfast, tea/coffee, drinking water, fruit drink). There is 1 free participating adult per 10 youths. Non-participating adults are free – up to 4).

See our brochure for other group options.
